

HARDWARE FROM THE OCEAN

The subtle beauty of shell has been used for centuries on many applications including jewellery and musical instruments.

Turnstyle Designs have introduced a range of natural shell inlaid into door levers and cabinet handles that are bound to cause a stir.

Mother of Pearl and Paua are currently in stock with new shell inlays being introduced soon, all inlays come from sustainable sources in keeping with Turnstyle's strict environmental policies.

Available in the Ski and Recess ranges, in a full choice of metal plated backgrounds, the new range offers a rich and luxurious alternative.
