

IT'S IN THE DETAIL!

There are about 20 new designs in Turnstyle Designs` new 2008 Brochure, one of the best selling new additions is the simple 'Barrel Stitch' range of door levers, door pulls and bathroom accessories.

A simple 19mm Barrel of plated brass, recessed to take flush fitted bridle leather, brought to life with a centre row of hand stitching which brings the very contemporary design a softer, more crafted edge.

Also available with the stitch on the reverse side for a cleaner, crisper look, the simplicity of the design has been a huge success and is rapidly becoming one of Turnstyles` top sellers.

Available in six different leathers and four metal finishes, as well as endless possibilities with custom work.

All are listed on Turnstyles amazing new website
